SUMMERFIELD

STRUCTURE

- 7" resin top ledge and 6" steel uprights.
- Heavy corrugated wall with superior wall coatings.

COLOR

- The Country Wall of the Summerfield pool has been specifically chosen to enhance your home and compliment the style of your backyard oasis.

STYLE AND STRENGTH

- Steel Uprights coated in durable, cross-linking acrylic Krystal Kote®.
- Oval Summerfield pools are installed with a buttress-free system.

TOP LEDGE FEATURES

- Two-piece injected molded ledge cover.
- An interlocking steel stabilizer at the top of the wall combined with a hardware-free "snap in" resin bottom cuff ensures a stronger, faster installation with superior stability.

WATER SAFETY

Your Above Ground pool has been designed to provide you with years of safe, family fun. This entails that water safety must always be taken into account. When used incorrectly, your Above Ground swimming pool can be dangerous; Above Ground pools are shallow, and this makes diving and jumping unsafe. To ensure your Above Ground pool is used safely you must observe the safety precautions that are provided to you when you purchase an Above Ground pool and conform to all local regulations.
